

PNEUMATIC BRAKES

**REPLACEABLE HIGH-GRADE
FRICTION MATERIAL**

**STANDARD
BUNA-N SEALS**

**DURABLE
CONSTRUCTION**

PLATED BOLTS

Tolomatic manufactures pneumatic brakes in three sizes: P10 Series, P20 Series and P220 Series. Available in both double acting or single acting. These brakes feature replaceable, high-grade friction material, standard Buna-N seals, aluminum construction and zinc plated bolts. Options include EPR seals, Viton® seals, retractable pistons and floating bracket. (See pages 32 to 37)
